

EU22A (ENLARGED KIDNEY WITH ADRENAL GLAND 1 PART)

A. Kidney

1. Renal artery
2. Renal vein
3. Ureter
4. Renal capsule
5. Renal pyramids
6. Renal papilla
7. Renal pelvis
8. Major renal calices
9. Minor renal calices
10. Adipose tissue
11. Renal column
12. Renal cortex
13. Arcuate artery
14. Arcuate vein
15. Interlobular artery
16. Interlobular vein
17. Glomerulus of nephron
18. Afferent arteriole
19. Efferent arteriole
20. Proximal convoluted tubule
21. Distal convoluted tubule
22. Duct of bellini
23. Loop of henle

B. Suprarenal gland

24. Medulla
25. Cortex
26. Adipose renal capsule
