

EC34 (HUMAN LYMPHATIC SYSTEM MODEL)

A.Artey & vein

1. Common carotid a.
2. Subclavian a.
3. Axillary a.
4. Thoracic aorta
5. Abdominal aorta
6. Celiac trunk
7. Superior mesenteric a.
8. Inferior mesenteric a.
9. Common iliac a.
10. Internal iliac a.
11. External iliac a.
12. Femoral a.
13. Superior vena cava
14. Brachiocephalic v.
15. Azygos v.
16. Internal jugular v.
17. Subclavian a.
18. Venous angle
19. Axillary v.
20. Facial v.
21. Basilic v.
22. Median cubital v.
23. Inferior vena cava
24. Hepatic portal v.

25. Common iliac v.

25. Common iliac v.
26. Internal iliac v.
27. External iliac v.
28. Femoral v.
29. Great saphenous v.

B.Partial lymph nodels

30. Occipital lymph nodes
31. Mastoid lymph nodes
32. Superficial partoid lymph nodes
33. Submandibular lymph nodes
34. Submental lymph nodes
35. Deep lateral cervical lymph nodes
36. Superficial lateral cervical lymph nodes
37. Cubital lymph nodes
38. Axillary lymph nodes
39. Lateral lymph nodes
40. Parasternal lymph nodes
41. Subscapular lymph nodes
42. Central lymph nodes
43. Intercostal lymph nodes
44. Thoracic duct

EC34 (HUMAN LYMPHATIC SYSTEM MODEL)

C.Thoracic lymph nodes

- 45. Bronchopulmonary hilar lymph nodes**
- 46. Superior tracheobronchial lymph nodes**
- 47. Paratracheal lymph nodes**
- 48. Brochi extensor trunk**
- 49. Posterior mediastinal lymph nodes**

D.Inner organ lymph nodes

- 50. Celiac lymph nodes**
- 51. Superior mesenteric lymph nodes**
- 52. Inferior mesenteric lymph nodes**
- 53. Intestine trunk**

E.Pelvic & lower limb lymph nodes

- 54. Superficial inguinal lymph nodes**
- 55. Deep inguinal lymph nodes**
- 56. External iliac lymph nodes**
- 57. Internal iliac lymph nodes**
- 58. Common iliac lymph nodes**
- 59. Lumbar lymph nodes**
- 60. Lumbar trunk**
- 61. Superficial lymphatic vessel**
- 62. Popliteal lymph nodes**
- 63. Deep lymphatic vessel**
